# A Texas Democrat For Hays County Commissioner

## Dear Friend:

On November 4th, we can make the change San Marcos needs. As your Hays County Commissioner, I will go to work immediately to;

### 1. Tackle San Marcos Traffic Problems

The parking problems around downtown and campus are out of control, and congestion on I-35 is worse all the time. We need real parking and commuter solutions right now, including effective mass transit and commuter rail to San Antonio and Austin.

### 2. Diversify the San Marcos Economy

Our local economy is too dependent on the Outlet Malls and other major retailers. We need to move fast to diversify the San Marcos economy and create good paying new jobs in manufacturing, professional services and creative industries.

### 3. Protect the San Marcos Springs

Nothing is more important to the economy, culture, and future of San Marcos than our springs and rivers. We need ensure that every necessary step is taken to protect the quantity and quality of water flowing into the Edwards Aquifer.

We all know that times are challenging now, but working together we CAN make the change San Marcos needs – I know it. **I ask your vote on November 4th.**

Sincerely,

*Steve*

BUSINESSMAN **Steve Klepfer**  
**FOR HAYS COUNTY COMMISSIONER**

**About Steve Klepfer** Businessman Steve Klepfer is the owner-operator of the Old Mill Store and the former mayor of Wimberley. He has served as Chair of the Hays County Transportation Advisory Board, and as a member of the Hays County Comprehensive Plan Design Committee.
